

Task a: I really haven't any funny story that made you laugh. But, I have (memorise) amusing memories about my family and cat. I love them and every moment, every hour, minute and second with them expensive for me. We play and joke together. Oh, and my cat! Her name is - Lily she is really funny and cute. I can show you her videos and photos!

Task B: My dream job is journalist. Because, for me this job are very interesting. Write different news on the magazine or media, see and talk with new people and going to the different places. (All this) This all really interesting and exciting, aren't this?

Task C: My favorite season is Spring. In the spring weather is warm without a slight wind. And I like do different activities like read books, or organisation picnics and etc. In spring usually routine becomes more joyful and calm. That's what I (like) like.

Task D: Hi, Grandma!

This week was full of activities (and) for me. I'm start + learn to cook and new language. It's Japanese! It's so fun and interesting. Oh, and I (start) go to gym since Monday. I'll send you some videos about my week soon!

So... have an @judging? Did you have any stories for this week? (X) miss you so much!
I'll waiting for your answer!

Lots of love, Dilnaz.

Task E: I'm going spend my time with my family and learn something new like astrology, cook and new language. By the way I'm going to start a new book named "Little Women". It may be interesting. With my family I plan^{ed} to go to my Burabai. We want stand at home. We are going to do some exercises, watch movies and cook dinner together everyday until this week end. It will be really enjoyable, because I will spend time with my favorite persons and do thing that I like.
