IV. Writing

A letter to your future self

Hi, dear Ayaulym!

How are you? What are you doing? I'm decided write "a letter to your future self". I don't know what about write, but I think I'm graduate school in the next five years. In the future science developed and In my opinion people to change. I want in the future be thinker, brainly. I hope in the future ~~me~~ I will travel in the world. And (stydiny) stading at the MNU university. I want be a teacher in the future, because it's interesting job. Nowaday, my hobby is listen to music, cooking and play volley ball. In the futere I hope me will be good person. And nowadays, I learn English and I want be "C2" level, ~~but~~ it hard. But I think I got it's goal. Good bye!
